RE: Request for 1. Judgment in a Criminal Case, 04-00322-01 DAE  
2. Judgment in a Criminal Case, 05-00049-01 DAE

Dear Clerk:

Since it has been confusing regarding the "**latest or revised, or amended**" judgments in a criminal case with respect to my "**two sentences**", please send me a copy of the "**latest**" copies of :

1. Criminal No. 04-00322-01 DAE and
2. Criminal No. 05-00049-01 DAE

particularly including the "**STATEMENT OF REASONS**" appended at the end of the sentence itself (around sheet 6 on).

I feel that I would need the "**STATEMENT OF REASONS**" the most (reasons for enhancing the sentence by 2 levels, reasons for restitution, etc ...), and they must be included in the judgments in a criminal case.

Awaiting your favorable reply to this request, I thank you very much for your kind assistance in this matter.

Sincerely,

Abraham Martin

P.S. The 90-day limitation on ruling of motion for COA will end on December 19, 2007. I will file the same motion to the Ninth Circuit on December 27, 2007, with more issues of appeal presented.

Inmate Wood (USA v. WOOD) was released yesterday, 12/12/2007, by Order from the Ninth Circuit to the Warden. His conviction was overturned by the Circuit Court.
